The library has lots of books and DVDs for me.

# This Is My Library

I need to use a library card when I check out books or movies. This is what a library card looks like.

# This Is My Library

I can check out books or movies at the window with a librarian or with the self-checkout machine. I will get a paper receipt that tells me when they are due back at the library.

On another day, when I am done with my books and movies, I need to return them. I can use the “Returns” slot inside the library or outside the library.

The library has a big ship to explore, and play tables with boats and sharks.
