

UNEARTH A STORY™

SUMMER READING 2026

Embark on a journey of creativity with books and fun activities!

How to Register:

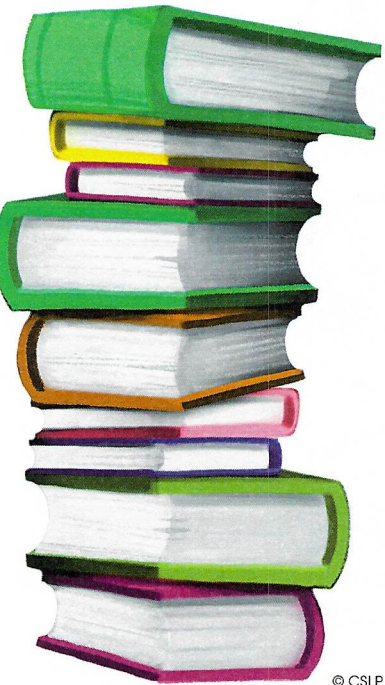

Register in the “Unearth a Story 2026 Youth Summer Learning Challenge” on the Beanstack website or Beanstack app. There you can track your progress and earn virtual badges. If we create a Beanstack account for you:

- Your user name will be your email address.
- Your default password will be “beanstack”

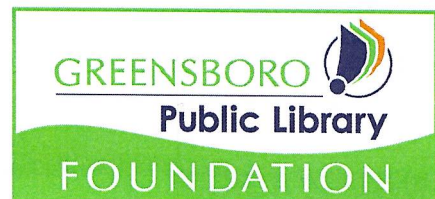

How to Participate:

- You can log your participation through Beanstack or by completing the Summer Reading log.
- For the first level, read one book of your choice and enter it in Beanstack or fill out the log. Then read four more books or attend four programs at any library branch or participate in a library activity like a scavenger hunt to finish the level and earn your prize, a book and a jibbitz. Any age reader may listen to an audio book or have a book read to them to complete this activity.
- For the next three levels, you can continue to do any combination of reading OR attending a program at any library branch. Enter each of the five books/programs in the Beanstack challenge as you complete them or fill them out on the log. You will receive another jibbitz as a prize!
- Visit a Greensboro Public Library location to collect your prize! Prize pick up deadline is August 31.
